Descripción

Imagine having a place on the beach where you can enjoy without rush, share with family, and find everything you need just a few steps away. Oceana Lifestyle Center is a beachfront project in Jacó that brings together residences, resort-style amenities, and a proposal of gastronomy, commerce, and services in one single destination.

A concept designed for the comfort of your home and the experience of a vacation to be part of your daily life.

What makes Oceana special?

Everything in one place: a comprehensive proposal that combines housing, well-being, entertainment, shopping, and gastronomy around a central square.

Beachfront location in Jacó: enjoy the beach and have restaurants, supermarkets, banks, and services nearby.

Designed for living: spaces to rest, share, work, and receive visitors, with three bedrooms and a terrace that enhances the experience of your home.

Spacious for enjoying with company: a layout that allows sharing social areas and maintaining the privacy of the bedrooms.

Resort-style amenities: options for exercising, relaxing, and entertaining the whole family without leaving the project.

Commercial proposal by the sea: spaces dedicated to gastronomy, shopping, and services that complement residential life.

Backed by Meta Kapitales: a developer with experience in construction, real estate, and the financial sector.

A value proposition starting at $350,000: three bedrooms, beachfront location, and access to a wide range of amenities for those seeking a beach property.
