Descripción

Live in a PREMIUM Condominium with beautiful spaces for you and your family.
Hacienda Espinal is a project developed by a leading company in the real estate market with over 25 years of experience and more than 30 residential, hotel, or industrial park/free zone projects, providing the security and trust you seek in a top-level Project.
This development is unique, in an area with a warm climate, parallel to route 27, made with quality materials in spaces that offer you a sophisticated and harmonious lifestyle with the environment.
This beautiful project offers lots, one or two-story houses, in a perfect environment to live with your family.
Contact us to visit the project and present the best option for you and your family!
